

# TBMH FUNDING MODEL

**PH.D.** Ph.D students within TBMH are fully funded. This funding includes tuition, fees, stipend/salary, and fringe benefits/health insurance. TBMH fully funds students in their first year of study. After the first year the funding is split between TBMH and the PI as follows:

Year 1: TBMH 100%

Year 2: TBMH \$15,500; PI Remaining

Year 3: TBMH \$10,500; PI Remaining

Year 4: TBMH \$5,500; PI Remaining

Year 5+: PI 100%

Example:

2nd Year TBMH Student Total Yearly Cost= \$49,000

TBMH contributes \$15,500, PI contributes \$33,500

---

**M.S.** TBMH does not provide funding for M.S. students. M.S. students are responsible for their own funding. PI can support if they would like but are not obligated.

---

**M.D. + PH.D.** M.D + Ph.D. students within TBMH are fully funded. This funding includes tuition, fees, stipend/salary, and fringe benefits/health insurance. TBMH partially funds students in their first three years of study and the PI is responsible for the remaining as follows:

Year 1: TBMH \$15,500; PI Remaining

Year 2: TBMH \$10,500; PI Remaining

Year 3: TBMH \$5,500; PI Remaining

Year 4+: PI 100%

---

**M.D. + M.S.** TBMH does not provide funding for M.D. + M.S. students. M.D. + M.S. students are responsible for their own funding. PI can support if they would like but are not obligated.

Please contact, TBMH Graduate Program Coordinator, MacKenzie Tyree with any questions regarding TBMH student funding.

# TBMH FUNDING

## M.D. + PH.D.

---

M.D + Ph.D. students within TBMH are fully funded. This funding includes tuition, fees, stipend/salary, and fringe benefits/health insurance. TBMH partially funds students in their first three years of study, the PI is responsible for the remaining as follows:

Year 1: TBMH Contribution = \$15,500; PI Remaining

Year 2: TBMH Contribution = \$10,500; PI Remaining

Year 3: TBMH Contribution = \$5,500; PI Remaining

Year 4+: PI 100%

Year 1 Example:

Tuition: \$14,500

Fees: \$3,000

Stipend + Fringe: \$31,500

**Total Yearly Cost of Student: \$49,000**

**TBMH Contribution: \$15,500**

**PI Contribution: \$33,500**

*\*Costs are estimates, not actual amounts.*

*See Bursars Office website for exact costs.*

Estimated Cost for 2021-2022:

MS Student: (Student responsible for funding)

Tuition: \$14,278

Fees (In-State): \$2,244

Fees (Out-of-State): \$2,848

**Total Yearly Cost (In-State): \$16,522**

**Total Yearly Cost (Out-of-State): \$17,126**

*\*Costs finalized in July.*

*Please see Bursar's Office website for exact costs.*

---

Estimated Cost for 2021-2022:

PhD Student: (TBMH + PI responsible for funding)

Tuition: \$14,278

Fees (In-State): \$2,244

Fees (Out-of-State): \$2,848

Stipend + Fringe: \$29,904 + \$2,592.68

**Total Yearly Cost of Student (In-State): \$49,018.68**

**Total Yearly Costs of Student (Out-of-State): \$49,622.68**

*\*Costs finalized in July.*

*Please see Bursar's Office website for exact costs.*
