Requirements:

A total of 18 credit hours of electives are required for graduation

_____ ICU (2 weeks) If an Away rotation fulfills ICU requirement, it cannot also fill the advanced rotation requirement

_____ Medical Subspecialty or Surgical Subspecialty (2 weeks) 3rd year medicine or surgical electives fulfill the requirement

_____ Advanced Clinical Rotation-AI, Sub-I, or Advanced (4 weeks) Away rotation may meet this requirement per review

_____ Research (2 weeks, with a max of 6 weeks)

_____ EM (4 weeks) if not done in 3rd year. Only available rotations 2, 4, 7, & 8

Limitations:

Max of 3 online courses

Max of 3 away rotations, not counting International rotations

Max of 6 weeks of Independent Study

Student Name: _____

Recommendations:

- **Choose competitive electives with the first selections (AIs, ICUs, Anesthesiology)**
- **Step 2 study early (you can use up to 6 weeks)**
- **Away rotations and AIs in the late summer, early fall**
- **International rotations 8a/b or 10a/b**
- **Vacation during interview season:**
 - **5a/b, 6a/b, 7a for most specialties including Ophth and Urology**
 - **6a/b, 7a/b for other surgical subspecialties (Plastics, Ortho, Neurosurg, ENT)**
