Black Family Health

In honor of Black History Month, VTCSOM welcomes you to the first Diversity, Inclusion, and Belonging event of 2023 titled Black Family Health.

This community focused event aims to highlight health equity and health outcomes for the Black family as a whole and also the key role that the Black physicians play in our community.

Our knowledgeable physicians will serve as experts on a panel to talk about their experiences and answer your questions.

We will have specialists in:

- Pediatrics
- Internal Medicine
- Obstetrics & Gynecology
- Surgery
- Psychiatry

When
