

VTCSOM Faculty Orientation 2025 Schedule

All newly appointed faculty members must complete a faculty orientation session within six months of receiving their appointment. The goal of this experience is to introduce the candidate to the academic mission of the medical school and to create awareness of the variety of resources available to faculty members.

Sessions occur once per month either at the medical school building (2 Riverside Circle, Roanoke, VA 24016) or via Zoom. A variety of times and dates will be provided to the new faculty member once they receive their new faculty appointment.
