

Today we cannot stand next to you and return your smile, look into your eyes and shake your hand into an embrace. In place we offer these:

Joy - noun- "a feeling of great pleasure and happiness"¹

Pride - noun- "a feeling or deep pleasure or satisfaction derived from...the achievements of those with whom one is closely associated..."¹

Hope - noun- "archaic - a feeling of trust"¹

"Hope is an optimistic state of mind that is based on an expectation of positive outcomes with respect to events and circumstances in one's life or the world at large..."²

In you we place great hope.

Congratulations Doctors!
